## Chai Tots Preschool 2020-2021 Tuition Guidelines

The following guidelines have been put in place in the event that the NYC DOH mandates any school closures. Please read the following guidelines carefully.

### REFUND POLICY

Chai Tots will refund 100% of any fees, *besides registration fees* paid if NYC DOH **does not** open school in September 2020.

#### Temporary Closure

In the event that NYC DOH mandates a **temporary** closure of more than 10 school days, Chai Tots will refund you 100% of tuition fees, until the school reopens. This refund will start after the 10 closure days.

#### Permanent Closure

In the event that our school closes at any time during the year, for more than 10 school days, Chai Tots will refund any remaining tuition not used. Refunds will start the following week of school, not the day of closure. **Example: if school was to close on a Tuesday, refunds would be in effect for the following Monday.**

### ALTERNATIVE SCHOOLING

#### Toddler Class

This class will not be offered virtual schooling and tuition will be fully refunded on the onset of any closure that is greater than 10 school days. If school reopens, tuition will go into effect on a prorated basis.

#### Junior Nursery, Nursery and UPK classes

Chai Tots will offer Virtual Preschool to our Junior Nursery and Nursery classes at a discounted tuition rate. **Please note that Virtual Preschool will only be offered to Junior Nursery and Nursery classes if the demand for it is great enough.** For those that are not interested in virtual (discounted) school, there will be an option for a full prorated refund.

The UPK Class will be offered Virtual Preschool at no cost.
